

SMARTLINER

DENT PULLING WORKSTATIONS

COMBI 230V - Ref. 036093

Smartliner is a complete dent pulling kit, essential for repairing small, medium and big dents (sill, wheelhouse, car fender...).

Thanks to the Smartliner you can:

- Remove dents without disassembling vehicle fittings
- Repair without replacing
- Reduce the down-time
- Increase your margin
- Improve your profitability

**Sill straightening job:
30 mn instead of 3 h**
